The ALS Academy Welcomes You!

Awareness is one of our most powerful tools in addressing the unmet needs of the ALS community. Sponsored by MTPA, The ALS Academy is a comprehensive, online educational platform that provides current and prospective healthcare professionals with a clinically-relevant understanding of ALS as a motor neuron disease.

Register today to access insights from **8 top medical experts**, with **11 webinar modules** spanning key topics in ALS:

- Neuropathology and clinical features of ALS
- Diagnostic processes and algorithms
- Disease onset, progression, staging and rating scales
- Current treatment landscape and clinical research insights

MTPA believes that furthering scientific discovery starts with a passionate drive to solve the challenges others believe are impossible.
